CHEO RESEARCH INSTITUTE
INSTITUT DE RECHERCHE

PEDIATRIC HEMATOLOGIST/ONCOLOGIST

One (1) Locum Full Time Position Commencing March 1, 2026

Division of Pediatric Hematology/Oncology
Children's Hospital of Eastern Ontario

CHEO is one of a kind!

Unique in both the type of care we provide and the passion with which we provide it.

Located within the heart of Ottawa, The Children's Hospital of Eastern Ontario and the University of Ottawa are pediatric health and research centres that provide outstanding family-centered patient care, pioneer breakthrough research, and train the health care professionals of tomorrow. CHEO's Department of Pediatrics is a dynamic department serving a large geographical area with a population base of 1.8 million. In addition, with the proximity to Quebec and the availability of bilingual services, children from Western Quebec are referred and treated at the Children's Hospital of Eastern Ontario. Our pediatric Hematology/Oncology Division is designated as the tertiary referral centre for all children with cancer and blood disorders from Eastern Ontario.

The CHEO Hematology/Oncology Division is actively recruiting one locum physician for a 1-year full-time contract starting in March 2026. The successful candidate will work closely with the hematology/oncology multidisciplinary team, patients and families in outpatient, inpatient and on-call capacities. Expertise in leukemia, lymphoma and post-hematopoietic stem cell transplant care is preferred.

The candidates will be Royal College of Physician and Surgeons (Pediatrics) certified/eligible or equivalent and will have completed a recognized training program in pediatric hematology/oncology. Strong leadership skills and fluency in both English and French would be an advantage. In accordance with the Canadian immigration requirements, priority will be given to Canadian citizen and permanent residents of Canada. CHEO is committed to Employment Equity and welcomes applications from all qualified men and women, including aboriginal people, visible minorities and persons with disabilities.

Qualified candidates should submit their CV and the names and contact information for 3 references to:

Dr. Ewurabena Simpson

Email: esimpson@cheo.on.ca

Applications will be accepted until January 15, 2026 or until a suitable candidate has been found.
